OHIO NORTHERN UNIVERSITY
AND THE COLLEGE OF LAW

Ohio Northern University was founded in 1871 by Dr. Henry Solomon Lehr as Northwest Ohio Normal School. The school was one of many normal schools begun in the Midwest following the Civil War to provide the benefits of higher education to the growing middle class. It is one of the few such schools to survive and make the transition to a distinguished university. From the beginning, the strengths of the institution have been its small size and the close relationships between students and faculty. In 1900, the university became affiliated with the Methodist Church, an association continuing to this day. The university’s location in rural northwest Ohio, its origin as a normal school, and the Methodist affiliation have forged a strong spirit of community within the institution. Through 140 years of growth and development, Ohio Northern University has become a unique combination of liberal arts and professional colleges.

MISSION AND PURPOSE STATEMENT

Ohio Northern University, a United Methodist-related institution of higher learning, seeks to educate and graduate students accomplished in scholastic achievement, prepared for a useful life and meaningful career, and inspired with a desire to contribute to the good of humankind consistent with Judeo-Christian ideals.

Ohio Northern’s purpose is to help students develop into self-reliant, mature men and women open to dealing with the contemporary world, actively involved in their learning, capable of clear and logical thinking and sensitive to the higher values of truth, beauty and goodness. In keeping with these goals, students will study diverse ideas and influences and develop technology skills appropriate to the needs of an ever-changing world. The University’s academic program includes mutually supportive liberal and professional education components and integrates practice with theory and provides students with opportunities for research, internships, co-op and international study and work.

VISION STATEMENT

Ohio Northern University will be a leading, private student-centered institution of increasing regional and national prominence. THE COLLEGE OF LAW

The College of Law at Ohio Northern University began in 1885, making it the second oldest of the nine Ohio law schools. As a small school, the college has its own tradition of providing an outstanding legal education in a less formal, familiar environment. In 1895, the college instituted a three-year program of study, leading to the award of the LL.B. From these beginnings, the school commenced a long tradition of training lawyers for the practice of law and for public service.

As graduates of Ohio Northern spread throughout the state and region, they became judges and elected officials across the Midwest. One of the most distinguished graduates of this era was Frank B. Willis, former governor of Ohio and U.S. Senator, until his death in 1928. While in the Senate, Willis served with two other former Ohio Northern University law graduates, senators from Indiana and Kentucky.

Legal education developed and matured in America, and the law school also evolved. The lecture and recitation method of instruction gave way to the case method. In 1927, two years of college were required for admission to the law college, three years in 1952, and in 1960 a baccalaureate degree. In the 1940s, the school became accredited by the American Bar Association and in 1965 became a member of the Association of American Law Schools. In 1973, the college was named the Claude W. Pettit College of Law, in honor of Judge Pettit who served as dean from 1933 to 1955. Currently the College of Law is located in Tilton Hall, built in 1973 and expanded and remodeled in 1983, 1998, 2008, 2011 and 2012.
The College of Law continues its historic commitment to teaching and developing lawyers dedicated to the law and to public service. The traditions of Ohio Northern’s origins are reflected in the smaller classes and ready accessibility of faculty. In 2006 the College of Law began offering an LL.M. in Democratic Governance and Rule of Law. The national and international scope of the curriculum and credentials of the faculty reflect the modern dedication to a law school of national repute. In 2010-11, the College of Law celebrated 125 years of preparing students for the legal profession.

The mission of the College of Law is to provide an excellent legal education emphasizing service to a diverse community and profession.

**GENERAL INFORMATION FOR J.D. STUDENTS**

**ADMISSION POLICY**

The Admissions Committee of the College of Law seeks to select students for the entering class who are capable of undertaking the rigorous study of law, who come from ethnically and socially diverse backgrounds, and who are committed to the highest ethical standards as citizens and future lawyers. Prior experience indicates that some of the most reliable indicators of success in law school are the applicant’s undergraduate career and the Law School Admission Test (LSAT) score. Accordingly, great weight is given to these factors by the Admissions Committee.

Other factors also weigh heavily in admissions decisions. These factors include the depth and rigor of courses completed, grade trends, graduate work, relevant work experience, community service and leadership in extracurricular activities.

**BASIC ADMISSION REQUIREMENTS**

Applicants for admission to the College of Law must have received a baccalaureate degree from an accredited college or university prior to the start of the fall semester. While the College of Law neither endorses nor encourages specific course preparation, applicants are well-advised to take courses in any discipline that will develop logical and analytical skills, require communication in oral and written forms and provide opportunity for critical review of ideas and theories.

**LSAT AND REGISTRATION REQUIREMENTS**

All applicants, including applicants from foreign countries, must take the LSAT and register with the Law School Admission Council (LSAC). The LSAT is offered at various testing centers in June, October, December and February each year. Applicants are encouraged to take the test as early as possible in the academic year prior to the date they wish to begin law school. Test registration information can be obtained at www.LSAC.org.

Registration with the Law School Admissions Council (LSAC) is required to provide the Admissions Committee with an official copy of the applicant’s LSAT score report, an analysis of the applicant’s undergraduate transcript(s) and a copy of the applicant’s LSAT writing sample.
APPLICATION PROCEDURE

First-year law students are admitted for classes beginning in the fall and summer of each year, but the college does not admit new students for the spring semester. Applications for admission are available in early September from the Admissions Office and are accessible online at www.law.onu.edu. While there is no deadline for applying to the College of Law, students are encouraged to apply as soon as possible to avail themselves of the best consideration for admission and scholarship awards.

The Admissions Committee makes decisions from January until the entering class is filled. The deliberations of the committee are confidential. Requests for personal interviews are not granted by the committee. The Admissions Office will notify applicants of the status of their application and the final admission decision when reached.

Completed applications include:
1. ONU Law School online Application form fully completed, signed and dated.
2. Credential Assembly Service (CAS) report from the LSAC, including all undergraduate work and LSAT score(s).

Files will not be reviewed by the committee until these two requirements are fulfilled.

Upon being accepted to the fall class of the College of Law, applicants will be required to send an initial seat deposit in April to reserve a place in the fall class. A second seat deposit will be required by mid-June. Upon being accepted to the summer starter program, one seat deposit will be required in April to reserve a place in the Summer Starter Program. All seat deposit payments are applied to first semester tuition. The Controller’s Office will notify students when tuition is due and advise new students of the tuition payment options available through the university. Financial aid programs and requirements are fully explained under a separate heading in this publication.

TRANSFER STUDENTS

Students who are in good standing at another law school may apply to transfer to the College of Law at Ohio Northern University. To apply, transfer students must submit the following information.
1. ONU Law School Application form fully completed, signed and dated.
2. Credential Assembly Service (CAS) report from the LSAC, including all undergraduate work and LSAT score(s).
3. A letter from the dean or appropriate law school official stating that the student is in good standing and eligible to return to his/her current school.
4. An official transcript of all law school work.

SUMMER STARTER PROGRAM

This program was created for students whose GPAs indicate probable academic success in law school despite disproportionate LSAT scores. The Summer Starter Program is not a summer qualifier or conditional acceptance program. Once admission to the Summer Starter Program is granted (based on a fully completed application, LSAC Report, and an on-campus interview), the student is a member of the entering class. Interviews are granted on an invitation-only basis. Students admitted to the program have been offered admission to the entering class but must attend the summer program or they will forfeit their offer of admission.
The curriculum for students admitted to this program includes one course in Criminal Law and a second course that is a five-hour version of Property, Torts, Civil Procedure or Contracts. Students meet with tutors three times weekly and are tested every week in one course or the other. Class participation, test preparation and study skills are important aspects of legal education discussed in individual weekly sessions with the Director of Academic Support Services. Test results are also reviewed and analyzed. Furthermore, a heavy emphasis is placed on providing intensive writing experience with frequent feedback. The fall course schedule for the summer starters includes classes that were not taken in the summer as well as Legal Research and Writing.

CONCURRENT J.D./LL.M. IN DEMOCRATIC GOVERNANCE & RULE OF LAW – FULL-TIME ONLY

This unique opportunity will allow students to receive both their J.D. and LL.M. in Democratic Governance and Rule of Law in three years while studying with international LL.M. students and participating in summer externships in the U.S. and abroad. To earn their J.D. and LL.M. degrees concurrently, ONU law students must take the required LL.M. classes and complete an externship in the U.S. the summer after their first year and an international externship the summer after their second year.

For more information, please see the description under “Concurrent J.D./LL.M. Program (Three Years).”

CONCURRENT J.D./MPPA

Students with an interest in taxation can earn both their law degree and a masters of professional practice in accounting through a concurrent degree program offered by the College of Law and the College of Business Administration. Students admitted to the program can earn both degrees within three academic years. Concurrent degree students begin their studies with the standard first year curriculum of the College of Law. In the summer following their first year, students will take federal income taxation and an elective course. Following a second academic year of specialized courses and electives, students will be placed in a summer externship for credit that will offer a field experience in tax accounting. The students will then complete a third year of study and earn both the law degree and the masters of accounting in the spring.

Requirements: An undergraduate degree in accounting and admission to the J.D. and MPPA programs.

ACADEMIC SUPPORT SERVICES

The Academic Support Program has two interrelated purposes: first, to help law students adjust academically to the unique experience of law school by equipping them to refine the academic skills they already have and develop new skills; and second, to help students prepare for the bar exams in their states.

To meet both of these purposes, Academic Support takes a multifaceted approach. The Succeed Program offers review sessions for all students in first-year classes. These sessions include information on effective study techniques, exam-taking skills and review of substantive material.

The Academic Support Program also offers review sessions on upper-level courses that include material that may appear on bar exams, sponsors workshops on techniques to improve academic performance, conducts individual counseling sessions, and implements an in-depth bar review program for third-year law students.
STUDENTS WITH DISABILITIES

No qualified person shall, on the basis of disability, be denied admission to Ohio Northern University or be subjected to discrimination in recruitment or admission by Ohio Northern University; or be excluded from participation in or denied the benefits of any program or activity of Ohio Northern University. A qualified disabled person is a disabled person who meets the academic and technical (i.e., non-academic admissions criteria essential to participation in a program or activity) standards requisite to admission to Ohio Northern University or participation in its programs and activities.

Ohio Northern University does not make pre-admission inquiries as to whether an applicant of admissions is disabled. However, Ohio Northern University may, in connection with its voluntary efforts to overcome the effects of limited participation in the University’s programs by disabled persons, invite applicants, on a voluntary basis, to indicate whether and to what extent they are disabled.

After admission, Ohio Northern University may make inquiries on a confidential basis as to disabilities that may require accommodation. Disabled students admitted to Ohio Northern University who require accommodation of a disability should request such accommodation in writing from the dean of the college to which the student was admitted. Requests for reasonable accommodation will be honored unless they impose an undue hardship on Ohio Northern University.

No individual shall be discriminated against on the basis of disability in the full and equal enjoyment of the goods, services, facilities privileges, advantages, or accommodations of any place of public accommodation owned or leased by Ohio Northern University.

RELEASE OF STUDENT INFORMATION

Under the provisions of the Family Educational Rights and Privacy Act of 1974, as amended, the following has been designated as Directory Information and may be released without the student’s specific approval: student name; home, local, and e-mail addresses and telephone number; date and place of birth; picture; parents/guardian's names and address; major field of study and college in which enrolled; degrees, honors, awards and dates received; class (year of study); dates of attendance; most recent institution previously attended; previous degrees earned and granting institutions; participation in officially recognized activities and sports; height and weight of members of athletic teams.

Students who do not wish directory information released about them must notify the Office of the Registrar in writing within two (2) weeks of the beginning of the fall term. Such notices must be filed annually.

Students have the right to inspect their educational records, to have inaccurate records corrected or to file complaints in accordance with the law. Copies of university policies concerning educational records and location of such records may be obtained from the Office of the Registrar.

CHARACTER AND FITNESS TO PRACTICE THE LAW

The College of Law makes the determination as to whether the applicant’s moral character warrants admission to law school. However, applicants should be aware that law schools generally do not determine who will be admitted to practice law in a particular state. Thus, applicants who have been convicted of crimes or have been subject to disciplinary action, either while attending college or while employed, have the responsibility for checking with the bar admission authority of the state in which the applicant intends to practice.
PARTICIPATION IN STUDENT OUTCOMES ASSESSMENT

Ohio Northern regularly conducts campus-based studies of student attitudes, student achievement, student satisfaction, and personal, professional and career development. These studies are grouped under the heading of student outcomes assessment and are conducted by the Office of Institutional Research and/or individual colleges. Participation in outcomes assessment activities is expected of all students. While every student is not selected for participation in every activity, it is likely that an individual student will be involved in one or more assessment activity during the college years. It is only through cooperative participation in the assessment process that Ohio Northern University can improve its programs and better serve its students.

HOUSING

Both on-campus and off-campus housing is available for law students. For information about on-campus housing, contact the Office of Residence Life. For those students who prefer to live off-campus, a wide variety of housing is available in Ada. The University has provided a search tool through College Campus Connection in order to serve students looking for off-campus housing in the Ada area. All landlords listed have signed the non-discriminatory housing policy as required by the federal government. ONU has not inspected the listings on this site. Listing apartments does not constitute endorsement. Students are urged to inspect an apartment before signing a lease. Link: http://www.onu.edu/student_life/residence_life/offcampus_housing_info

CAREER SERVICES

The College of Law recognizes its responsibility to assist students in obtaining legal employment for the summer and for permanent positions upon graduation. The activities of the Career Services Office are coordinated by a full-time director with the assistance of a Placement Committee composed of faculty members and student representatives.

The Office of Career Services is committed to a program which utilizes the talents of alumni through our alumni network. Alumni speak at workshops and seminars and participate in the alumni network of contacts which is a direct link into the legal market for career services personnel and students. As a member of the Ohio Law Placement Consortium, and the National Association for Law Placement, the College of Law participates in a variety of joint recruiting projects throughout the year and serves as a liaison for students who wish to participate in other recruitment conferences across the country. In addition, representatives from law firms, government agencies and corporations conduct interviews on campus in the fall and spring.

As well as providing individualized counseling in the application and interviewing process, the office provides listings of current full-time, part-time and summer positions in law firms, government agencies, corporations and other employers.

Workshops and speaker programs are scheduled regularly to provide students with information about the various career opportunities available for law school graduates and to assist them with resume preparation, interviewing skills, professional image and other career development techniques.

STUDENT HEALTH SERVICE

The University Physician and a Nurse Practitioner hold regular office hours Monday through Friday in the Student Health Center. In addition, a registered nurse is on duty Monday-Thursday 7:30 a.m. - 11:00 p.m., Friday 7:30 a.m. - 4:00 p.m., on Sunday 3:00 p.m. - 11:00 p.m. and on call weekends. During summer semester a registered nurse is on duty Monday-Friday. The University is not responsible for providing health care during vacation periods.
The University recommends that all students make full use of the Health Service. However, this is not required and a student may go to a doctor of his or her own choice at his or her own expense. All medical records are confidential, and only at the student’s written request will the University Physician supply information to another doctor.

All students entering the university are required to submit a complete medical history, including a current immunization record.

Students who suffer from allergies may receive their allergy injections at the Health Service if they supply the serum and specific directions from their doctor or allergist.

Student Health Insurance – All students who attend Ohio Northern University are required to have health insurance coverage. The university has made a student medical plan available that provides health care benefits at a low cost. Coverage is in effect from August 1-July 31 annually. Keep in mind, enrollment is automatic for all students unless a waiver is completed, signed and returned to the Controller’s Office by the due date. After the due date, the charge will remain and will become the responsibility of the student.

COMMUNICATIONS WITH STUDENTS

Items of general interest to students from the administration, faculty and staff will be posted in the glass-enclosed cases near the student mailboxes. Communication with an individual student normally will be by letter, either to the student’s local address, student mailboxes or by e-mail.

It is the student’s responsibility to check these areas on a regular basis.

BAR ADMISSION REQUIREMENTS

The responsibility for meeting the requirements and deadlines for admission to the bar in the state in which the student intends to practice (including Ohio) rests with the student. All students are advised to continually check the requirements and deadlines of their jurisdictions.

OHIO STUDENT LAW PRACTICE CERTIFICATION

Law students may be eligible for a practice certificate from the Supreme Court of Ohio under terms set by the Court. The current requirements are available on the Supreme Court’s website.

COUNSELING

The University provides counseling services for all enrolled students. Spouses of students are also eligible for couples counseling. The Counseling Center is staffed by licensed mental health professionals who are available M-F throughout the school year, including summer session. The Counseling Center staff adheres to a professional code of ethics in providing confidential services.

Students can receive help from the Counseling Center staff in order to better understand and resolve their difficulties. Some commonly presented concerns include loneliness, depression, homesickness, substance abuse, feelings of inadequacy, anxiety, roommate conflicts, relationship problems, loss or grief, and stress situations. The staff makes every effort to create an atmosphere where personal concerns of any type can be examined and discussed freely and confidentially.

The Counseling Center provides career and educational counseling. Interest inventories and other tests may be used to help students make meaningful decisions about their career paths. The staff also provides assistance to students struggling with academic difficulties such as study habits, time management, procrastination, and test taking.

Any student interested in making an appointment can contact the Counseling Center directly; no referral is necessary.
NON-DISCRIMINATION POLICY
Ohio Northern University is authorized under federal law to enroll non-immigrant alien students. For further information, contact the Law Admissions Office.

It is the policy of Ohio Northern University not to discriminate on the basis of race, religion, national or ethnic origin, gender, sexual orientation, age, or disability in its educational programs, admissions policies, employment policies, financial aid or other school-administered programs.

GENERAL INFORMATION FOR LL.M. STUDENTS
The College of Law offers the Master of Laws degree in Democratic Governance and Rule of Law through both a one-year program designed for international and post-J.D. American students, and a three-year concurrent J.D./LLM program for students entering the college’s J.D. program. Details about both programs are provided below. Updated information and additional details are available at the program website www.LLM.onu.edu.

ONE-YEAR LL.M. PROGRAM
ADMISSION POLICY FOR INTERNATIONAL STUDENTS
The traditional admission criteria and procedures for students attending the college of law do not apply to international applicants for the LL.M. program. The program does not use standardized testing, and while academic performance in the applicants’ legal educational programs is evaluated and taken into consideration, the wide range of institutions and varying methods of evaluation render this factor somewhat unreliable. Therefore, the admission criteria focuses heavily on the applicant’s public interest work, nominations and recommendations from U.S. government and non-governmental organizations in the applicant’s native country, and international and local non-governmental organizations active within the countries. In addition, statements from the applicant, a personal interview (conducted by telephone) and recommendations from the organization employing the applicant are used to supplement the academic record and nominations. A World Education Services evaluation of transcripts and a minimum score on the Test of English as a Foreign Language (TOEFL) is also required.

BASIC ADMISSION REQUIREMENTS FOR INTERNATIONAL STUDENTS
Applicants must be a lawyer with two years experience
• Application filed along with required recommendations.
• Official transcript and evaluation of official record of completion of legal education by WES (for international students).
• Statement from the applicant’s employer describing the current work of the applicant and its satisfactory nature.
• Statement from the applicant’s employer about the availability of the applicant’s position (or equivalent position) at the end of the instructional year when the applicant returns.
• Statement by the applicant that he/she commits to spending two years in his/her current position or its equivalent promoting democratic governance and the rule of law.
• Personal interview with LL.M. program staff.
• TOEFL score of 600 PBT/250 CBT/100 IBT or 7.0 IELTS. (Required for non-English speaking applicants.)
FINANCIAL ASSISTANCE FOR INTERNATIONAL STUDENTS

The primary goal of the LL.M. program is to provide young lawyers from transitional countries committed to public service with the benefits of a study program not otherwise available to them for financial reasons. However, the College of Law also offers the benefits of the program to a limited number of young lawyers with resources to finance all or part of their own education. Below is a description of the program’s levels of financial support.

**Full financial support**

Highly qualified international attorneys whose experience demonstrates a commitment to, and excellence in, public service and who are accepted to the LL.M. program will be fully supported during their studies. Tuition and fees, books, room and board, travel, and a monthly stipend will all be provided. Each year, there is one or two fully funded positions available. These are highly competitive and require a well-documented record of public service and academic excellence.

**Tuition scholarships**

There are a limited number of full, three-quarter or half-tuition scholarships available for international attorneys who are not accepted with full financial support. These students must demonstrate the financial resources to cover the additional costs of the program as a condition for final admission.

**Outside Funding**

The program encourages all applicants to seek financial support from their governments and other organizations with available resources to support studying democracy and the rule of law. Applicants should consider applying to competitive United States government funded programs such as the Muskie Fellows (for former Soviet and Eastern European countries [http://www.irex.org/programs/muskie/muskie_info.asp]) and Fulbright scholarships (http://fulbright.state.gov/); the ONU College of Law is an active participant in these programs.

ENGLISH LANGUAGE TEST AND REGISTRATION REQUIREMENTS

An official Test of English as a Foreign Language (TOEFL) score from the Educational Testing Service, sent directly to Ohio Northern University College of Law or from the International English Language Testing System (IELTS) is required. The TOEFL institution code for ONU is 1591. We require a minimum TOEFL score of: IBT 100, CBT 250 or PBT 600 or IELTS 7.0. If your native language is English and/or the majority of your education has been in English, you are exempt from the testing requirement.

Once your application has been evaluated, you may be asked to submit your transcripts to WES where they will be analyzed and your grades will be converted to a standard 4.0 grading system. Applicants will be asked to order a Comprehensive Course-by-Course Report from World Education Services.

AMERICAN AND DEVELOPED DEMOCRACY STUDENTS

The one-year program is open to a limited number of young lawyers from the United States and other developed democracies to study and live with the international students. These positions do not include financial support from the University, although the program will facilitate financial aid from other sources.
APPLICATION PROCEDURE FOR INTERNATIONAL AND POST-J.D. STUDENTS

The LL.M. Office of the College of Law encourages interested lawyers to submit a resume for preliminary review of minimum qualifications. Following that review, the application is submitted to the Office along with all necessary supporting documentation. The completed file is forwarded to the Director of the LL.M. program who reviews the files based on the admission criteria approved by the LL.M. Committee, and decides to accept or reject the application.

Applicants are accepted or rejected, or placed on a waiting list if qualified but not considered as strong as other applicants.

The program utilizes the same standard as the general admission requirements of the college of law for veracity in the application process, including reserving the right of dismissal for material misrepresentations or omissions in the application process.

SCHOLARSHIPS AND GRANTS

Students who have excelled academically may be eligible for legal scholarship awards subject to availability. Scholarships are awarded primarily on the basis of academic achievements, but all prospective scholarship recipients should complete the Free Application for Federal Student Aid (FAFSA) application and submit the required documentation to ensure maximum financial assistance.

LOAN PROGRAMS

Anyone who applies to the College of Law and who is interested in financial assistance must submit the FAFSA. The FAFSA can be filed online starting January 1st of each year at www.fafsa.ed.gov. Applicants should file the FAFSA as soon as possible after January 1 to ensure early financial aid notification. Although financial aid applications will not be processed until the applicant is admitted to the College of Law, applicants should not wait for the notice of acceptance before beginning the financial aid application process.

Law students filing the FAFSA are automatically considered for the following programs:

1. Federal Unsubsidized Stafford Loans are available to students filing the FAFSA. Law students are eligible for up to $20,500 per year. The loan is unsubsidized meaning the student is responsible for interest charges while in school. Interest may be paid by the student or deferred and capitalized. The interest rate is fixed and the grace period is six months.

2. ONU Short-Term Loans are low-interest, institutional loans provided by Ohio Northern University to those students who need funds temporarily. These loans are for educational expenses and are generally repaid in full by the refund check from the student’s next semester. A parent co-signer is required for approval of this loan. Further information and applications are available in the Financial Aid office.

3. On-campus employment opportunities in the College of Law and other areas on campus can provide a modest income for needy students. It is generally advisable that first-year students limit their work hours due to the academic load. Efforts will be made to offer employment opportunities to those upperclassmen who wish to return to campus jobs. Law students entering their second or third year may also be considered for law research assistantships, positions with the Law Review, and residence hall assistant positions. These areas provide financial compensation for valuable work experiences and are normally publicized through the College of Law.

4. Veterans who qualify for benefits from the Veterans Administration are provided guidance services by Ohio Northern University financial aid personnel.

The following two loans for law students are available:

1. Graduate PLUS loans are federally sponsored loans for students attending graduate school. With a Grad PLUS loan, you may borrow up to the full cost of your education, less other financial aid received including Federal Stafford loans. The Graduate PLUS interest rate is fixed. There is a 4% origination fee charged by the federal government. Repayment on PLUS loans begins within 60 days after the final disbursement of the
loan. Graduate PLUS loans, for borrowers who are certified by their school to be attending at least half time, will be placed into in-school deferment. No payments are required during in-school deferment.

(2) **Private/Alternative Loans** are private loans secured through a private lender. Graduate students may borrow up to the remaining cost of education. There are a variety of different private loans available with some having variable interest rates and others having fixed. Co-borrowers may reduce the interest rate percentage. Deferments for principal and interest charges are available. To view a list of private loan lenders, please visit http://www.onu.edu/admissions/financial_aid/law_students.

**ADJUSTMENTS TO FINANCIAL AID**

Students who withdraw during a term will be subject to adjustments in their financial assistance. The adjustment of financial aid depends on the policies of the organization from which the aid came. If the particular agency or foundation has no policy for adjustment due to withdrawal, the adjustment will be made on the basis of Ohio Northern University’s refund policy.

The adjustments in charges for a student withdrawal may result in an outstanding balance on the student’s account which will be due and payable at the time of withdrawal.

Adjustments in loans from prior semesters are generally not made; however, students may wish to pay off any loans when they withdraw.

Wages from campus employment for the time worked up to date of withdrawal will be paid to the student on the next scheduled date of pay.

All adjustments in financial assistance will be made by the Financial Aid Office.

All inquiries or concerns regarding the financing of your education should be directed to the Office of Financial Aid, (419) 772-2272.

Each student, after completing his or her first year, must also: (1) complete a seminar with a grade of “C” or higher and (2) successfully complete at least ten hours of instruction elected from courses designated as meeting the skills requirement, no more than six of which may be clinic courses. (Amended 3-28-12)

1.03 Commencement Attendance:
A candidate for the degree of Juris Doctor is expected to attend the commencement exercise at which he/she is scheduled to receive his/her degree. In case of hardship, however, a degree candidate may submit a written request to the dean asking that his/her degree be awarded in absentia. If the dean approves the request, it shall then be transmitted to the academic vice president of the University, who shall take final action on the request.

Section 2.00 CLASS ATTENDANCE & COURSE PREPARATION

2.01 Attendance Requirement:
(a) Classroom instruction is an essential element of legal education. Regular attendance is a necessary component of a student’s education, with adequate preparation and active participation important to attain the greatest benefit from classroom experience.

(b) Instructors shall develop attendance policies for each of their classes; these policies shall be designed to emphasize and effectuate regular classroom attendance. These policies must be reasonable, and they must be submitted to the dean at the start of the semester.

(c) Instructors may decide, as part of their attendance policy, that students who are absent in excess of 25% of the class meetings of a particular course shall be dropped from the course with the designation of “W” (withdrawal).

(d) Instructors shall provide a written statement of their attendance policy to their students at the first class meeting.

(e) Instructors shall take attendance in each class.

(f) Instructors shall give written notice to students whose class attendance causes them to be within one day’s absence of being penalized; provided, however, that when a particular day’s absence counts for more than one absence, written notice shall be given as soon as practical thereafter, but in no event later than five class days. (Amended 5-10-05)
2.02 Outlines:
It is the position of the faculty that the use of cans and outlines prepared by outside companies and legal fraternities is not in the best interest of the students.

2.03 Outside Work:
The study of law is a rigorous full-time occupation. Pursuant to the accreditation requirements of the American Bar Association, the policy of the College of Law is that no student work in excess of 20 hours a week while enrolled as a full-time law student at Ohio Northern University. During registration, students shall sign an acknowledgment indicating they are aware of this rule and of its application to them. First-year students are discouraged from any employment during the school year. (Amended 10-26-05)

Section 3.00 CREDIT HOURS PER SEMESTER
3.01 Full-time Student Status Required:
A student must register for courses totaling at least 12 hours in order to receive a full semester’s residence credit. No student may take less than 12 hours without the prior approval of the dean. No students may take more than 18 hours in any semester. (Amended 2-22-05)

Section 4.00 COURSE WITHDRAWAL PROCEDURES
4.01 Required Course Withdrawal:
Permission to withdraw from a required course will not be granted unless there are extraordinary circumstances.

4.02 Elective Course Withdrawal:
(a) A student may withdraw from an elective course at any time during the drop/add period without the approval of the dean.
(b) A student may not withdraw from an elective course after the drop/add period designated by the registrar’s office unless permission is obtained from the dean.
(c) A student who withdraws from a course after the drop/add period through the ninth week shall receive the grade “W”.
(d) After the ninth week a student who withdraws from a course shall receive a grade of “F”, unless an exception is made by the dean for extraordinary circumstances.

Section 5.00 EXAMINATION POLICIES
5.01 General:
Examinations are to be taken at the date and time scheduled. If it is impossible or extremely impractical for the student to take an examination at its scheduled time, he/she shall consult with the dean in advance of the examination. If, however, such prior consultation is not possible, the student shall confer with the dean as soon as practicable after the examination. The dean, after consultation with the instructor involved, may at his or her discretion, and for good cause shown, excuse the student’s absence from the examination.

(a) In no event will an examination be re-scheduled because of the number of examinations a student is scheduled to take within any time period, unless the student has more than one (1) examination on the same day. The dean, in consultation with the faculty members, will determine which exam will be rescheduled.
(b) A conflict with a bar examination shall not be grounds for the rescheduling of a law school examination.
5.02 Prior Permission:
If the absence of a student from an examination is excused by the dean, the dean may permit the student to take the examination originally administered, provided (1) the examination can be taken within a short time after the date of its regular administration, and (2) there is no reason to believe that the student has information as to the contents of the examination.

5.03 Special Examinations:
To avoid undue hardship in an unusual case, the dean, with the consent of the instructor involved, may authorize the administration of a special examination (that is, an examination different from the regular examination in the course) in the case of a student whose absence from the regular examination has been excused.

5.04 Unexcused Absence:
A student whose absence from an examination is not excused by the dean shall receive a grade of “F” in the course.

Section 6.00 GRADING POLICIES

6.01 General:
A plus and minus letter grade system shall be used: (A+ = 4.33; A = 4.00; A- = 3.67; B+ = 3.33; B = 3.00; B- = 2.67; C+ = 2.33; C = 2.00; C- = 1.67; D+ = 1.33; D = 1.00; D- = 0.67; F = 0.00).

6.02 Grade Averages:
(a) Grade averages shall be computed by multiplying the numeric grade equivalent for each letter by the number of hours in the course and by dividing the sum of such products by the total semester hours allocated to the courses for which the grade average is sought.
(b) Courses in which a grade of “S” or “U” is used shall not be averaged with other courses in computing a student’s grade average.

6.03 Good Standing:
(a) In order to be in good academic standing in the College of Law, a student must maintain an accumulative grade point average of 2.00 at all times.
(b) A student registered in the College of Law who retains a period of eligibility for intercollegiate athletics must be in good academic standing at the end of the previous semester. Students not in good academic standing cannot participate in extracurricular competitive activities of individuals, teams, or other groups officially designated as representing the University.

6.04 Eligibility to Continue Study:
Every student whose accumulative grade point average at the end of any spring semester is below 2.00 shall be dismissed from the College of Law.

6.05 Good Standing Requirement for Graduation:
An accumulative average of 2.00 for the entire three years is required for graduation. However, a student who fails to achieve a 2.00 average by the end of his or her third year, may, at the discretion of the dean, be allowed a reasonable length of time in which to take further courses for the purpose of raising his or her final average to 2.00.
6.06 Failing Grades:
(a) A student who receives a failing grade (F) in any required course must repeat the course; a student shall not be allowed to repeat an elective course without permission of the dean and the faculty member involved.
(b) A student who has a grade of “D” or higher in a course may not repeat the course for credit unless the student was declared scholastically ineligible to continue in the College of Law but was subsequently reinstated under special conditions.

6.07 Repeating Course Work:
When a course is repeated, the number of hours and the grades for both the original taking and the repetition shall be included in the computation of the grade average, but the course hours will only be counted once toward the hours required for graduation.

6.08 Incomplete Grades:
Grades of “I” not removed in the next regular semester by the deadline set forth in the academic calendar of the College of Law will be recorded as “F”.

6.09 Auditors:
A student who wishes to attend class but does not wish to receive a grade for credit may register as an auditor during the first week of the semester. Permission must first be obtained from the instructor involved. Audited courses may not be used to meet J.D. degree requirements. An auditing student may not take an examination for the course.

6.10 Course Work at Another Law School:
(a) Courses satisfactorily completed in other law schools may be accepted for credit by the College of Law at the discretion of the dean. Credit will be granted only for courses in which a grade of “C” or better is achieved.
(b) Courses thus accepted for credit by the College of Law will normally be given credit toward graduation only; the grade itself will not be transferred. The provisions of this section shall apply both to students who transfer to the College of Law from other law schools and to those enrolled in the College of Law who take courses elsewhere with the permission of the dean in accordance with the provisions of Section 9.03 of these Rules.

6.11 Grade Appeal Procedure:
(a) Each faculty member in the College of Law has sole responsibility for determining the grades he/she assigns in a course.
(b) Any student dissatisfied with his/her grade in a course should raise the issue with the faculty member involved and take advantage of whatever procedures the faculty member has established for review of the student’s examination, paper or other class work. Any student who remains aggrieved by his/her grade after taking full advantage of such procedures may raise the grievance with the dean.
(c) The dean may conduct such investigation of the grievance as the dean in his/her discretion deems advisable. In all cases, however, the dean shall give the faculty member involved notice of the grievance an opportunity to respond.
(d) If, upon completing such an investigation, the dean is firmly convinced that a manifest abuse of the faculty member’s discretion has occurred, the dean may recommend that the faculty member change the affected grade.
(e) The student has the responsibility to request a review of his/her grade as soon as possible. The dean may refuse to consider any grievance which is not pursued in an expeditious manner.

(f) Nothing in this procedure shall prevent a student complaining of sexual harassment or discrimination on the basis of race, color, religion, national origin, sex, sexual orientation, disability or handicap, age or political beliefs from raising such complaint immediately with the dean or any other person.

Section 7.00 ACADEMIC STANDARDS AND READMISSION PROCEDURES

7.01 Academic Standards:
(a) Students must maintain a 2.00 cumulative grade point average (CGPA) to remain in good academic standing in the College of Law.

(b) Students whose CGPA at the end of any spring semester or at the end of six full-time semesters is below a 2.00 will be dismissed from the College of Law.

(c) Students who have been dismissed and whose CGPA is below a 1.90 may not petition for readmission under the procedure set forth below except upon motion of a faculty member approved by two-thirds of the governing faculty. Such a motion and the accompanying petition must be distributed to the faculty no less than forty-eight (48) hours prior to a vote on the motion.

(d) Students who have been dismissed and whose CGPA is 1.90 or higher may petition the Admissions Committee for readmission under the procedures set forth below.

(e) Students enrolled in summer school whose CGPA at the end of spring semester is below 2.00 will be dismissed at the end of the spring semester, subject to the petition process of Rule 7.01(d). All tuition and fees paid for summer school will be refunded to students who are dismissed. Summer school grades will not be considered during the petition process.

7.02 Readmission Procedure for Academic Dismissals:
(a) Students eligible to petition the Admissions Committee for readmission can do so only one time. Such petition shall be made within one year of the student's dismissal, absent a finding of exceptional circumstances made by the dean.

(b) Upon receiving a petition for readmission from a student eligible to petition, the Admissions Committee can vote to readmit the student or to deny readmission.

(c) Students denied readmission by the Admissions Committee have the right to petition the dean of the College of Law for readmission. The dean, upon receipt of such petition, can deny the petition or, upon a finding that extraordinary circumstances exist with respect to a student's academic performance, can forward the petition to the faculty in writing, specifying the extraordinary circumstances.

(d) Where the dean denies the petition for readmission, the student will have no right of appeal.

(e) Where the dean forwards the petition to the faculty, the student can be readmitted if two-thirds of the governing faculty presents votes in favor of readmission. Members of the governing faculty who serve on the Admissions Committee may participate in any readmission vote by the faculty.

(f) Any student who has been readmitted by the Admissions Committee or by the faculty will have no right to petition for readmission if subsequently academically suspended.
7.03 Presumption of Academic Deficiency:

The suspension for academic deficiency carries a strong presumption that the student does not possess the capacity or motivation necessary to successfully complete the course of study required by the College of Law. The burden of rebutting this presumption is on the petitioning student. The committee may require that the student pass a readmissions examination and may consider all matters relevant to the student’s capacity and motivation to do the required work.

7.04 Conditions of Readmission:

The Admissions Committee or the governing faculty may impose any reasonable conditions upon the student’s readmission.

SECTION 8.00 WITHDRAWAL FROM SCHOOL

8.01 Memorandum Required:

Any student desiring to withdraw from the College of Law shall submit a memorandum to the dean requesting that his/her withdrawal be authorized and submit the required withdrawal form.

8.02 Authorization Required:

Any student who withdraws from the College of Law without authorization from the dean shall be given grades of “F” in all courses in which he/she was registered at the time of the unauthorized withdrawal.

8.03 Readmission After Withdrawal: Leave of Absence

(a) Any student who has completed at least one full semester and is in good academic standing who requests permission from the dean to withdraw from the College of Law may also request a leave of absence for up to one year. The dean may grant such leave under whatever reasonable conditions he/she may deem appropriate.

(b) Any student who has completed at least one full semester and is in good academic standing who was granted permission to withdraw but did not request a leave of absence may apply to the dean for readmission to the College of Law to resume study not later than the beginning of the third semester following withdrawal. The dean may readmit the student under whatever reasonable conditions he/she may deem appropriate.

(c) Any student not in good academic standing or who has not completed at least one full semester who requests permission from the dean to withdraw shall not be permitted to return to the College of Law except as provided herein.

(1) Students who have completed at least one semester and are not in good academic standing must request a leave of absence from the faculty Admissions and Readmissions Committee. The committee may only grant such leave of absence on the condition that the student return to the College of Law to resume the regular sequence of the curriculum within one year (i.e., a student requesting leave at the end of his/her first semester can only resume with the second semester courses the first spring semester following his/her withdrawal). The committee may also impose whatever other reasonable conditions they deem appropriate.

(2) Students who have not completed at least one semester are ineligible for leave of absence and must request a deferral of their admission from the faculty Admission and Readmission Committee under the appropriate standard.
Section 9.00 STUDY AT ANOTHER LAW SCHOOL (TRANSIENT STATUS)

Students desiring to receive credit towards the degree requirements of the College of Law through study at another law school must apply for and obtain the permission of the dean of the College of Law pursuant to the requirements of this section and the other sections of these rules incorporated herein.

9.01 Part-Time Study:
Transient status will routinely be granted (up to the equivalent of one semester’s worth of credits) for students requesting permission to take courses on a part-time basis at another American Bar Association accredited law school (or at a program sponsored by such a law school abroad). An application form must be completed (available from the administrative offices) indicating the name of the law school, the program to be attended, and the courses to be taken.

9.02 Full-Time Study:
(a) Transient status will only be granted for students requesting permission to take work at another American Bar Association accredited law school on a full-time basis upon a showing that the student possesses compelling reasons reflecting a continuing, severe personal hardship.
(b) Students applying for full-time transient status shall file a petition with the dean setting forth in detail their reasons for seeking full-time transient status. They shall also file an application (available from the administrative offices) indicating the name of the law school, and the courses to be taken.
(c) The dean shall determine if the student has demonstrated a severe hardship sufficient to justify granting transient status. In doing so, the dean may make any additional inquiries necessary to ascertain the dimensions and validity of the hardship expressed. Examples of severe personal hardship include but are not limited to the need for medical treatment, otherwise unavailable, and severe family emergencies requiring prolonged personal attention otherwise unavailable.
(d) An administrative processing fee of $250.00 per semester shall be charged for each student who is granted full-time transient status to cover the costs of processing, reviewing and evaluating the work performed at the other law school.
(e) In granting full-time transient status to a student, the dean may also permit the student to take courses required for graduation pursuant to Section 1.02 of these rules at the other law school.
(f) Students attending another law school as full-time transient students are subject to the requirements of Section 1.03 of these Rules, “Commencement Attendance.”

9.03 Credit:
(a) Elective course work taken at another law school is subject to the conditions of Section 6.06 (a) and (b) of these Rules.
(b) Credit for approved work at another law school shall only be given for courses in which a grade of “C” or better is achieved pursuant to Section 6.10(a) of these Rules.

Section 10.00 OUTSIDE STUDY (OTHER THAN LAW SCHOOL)

10.01 General:
Any student desiring to take work for credit in another college or school of this university or of any other college or university during the course of any semester must obtain prior approval of the dean. Credit received pursuant to this Section will not count toward receipt of a J.D. degree.
Section 11.00 TRANSCRIPT OF GRADES

11.01 Policy:
No member of the faculty or staff shall reveal, issue or transmit to a prospective employer, another person or an organization a complete or partial transcript or report of the record of any student or former student in the College of Law unless authorized in writing to do so by the student or former student involved.

Section 12.00 STUDENT CODE OF CONDUCT

12.01 General:
The conduct of a student in connection with his or her law study, including the taking of examinations and the submission of seminar papers, shall be governed by a Student Code of Conduct approved by the faculty.

Section 13.00 LAW LIBRARY RULES AND REGULATIONS

13.01 General:
Policies are printed in the Law Library Guide which is available in the Taggart Law Library.

Section 14.00 DELEGATION OF AUTHORITY

14.01 Delegation of Authority by the Law Dean:
Any authority granted to the dean of the College of Law may be delegated by him/her to the associate and/or assistant dean or any other faculty or staff member.

ACADEMIC PROGRAM

REGISTRATION
Prior to advance registration for each semester, the College of Law and the University Registrar publish the class schedule and additional information which governs the registration process.

Every student is expected to register in advance for the subsequent semester. Continuing students who do not complete advance registration, including payment of fees and any outstanding financial obligations, may register at late registration by paying an additional late registration fee. If a student advance registers but fails to pay fees in the time allowed, the student’s registration will be cancelled, necessitating a new registration and payment of a late registration fee.

Please note the registration deadlines found in the university calendar.

GRADUATION REQUIREMENTS
The degree of Juris Doctor is conferred upon application to all students with six full-time semesters of residence who have successfully completed a total of 90 hours, including the courses graded with an “S” or “U”, and with an accumulative average of 2.00 for all courses in which a letter grade is given. In accordance with the section “Advanced Standing,” those who have received credit from another college of law must have studied in full-time residence in this college for at least two semesters immediately preceding graduation.

Degrees are conferred at the end of the semester during which requirements were completed. Commencement exercises are held at the close of the spring semester. Students who complete their work prior to the spring semester are invited to participate.
PROGRAM OF INSTRUCTION

The curriculum of the Ohio Northern University College of Law is set forth below. The College is constantly engaged in critically evaluating the courses offered and the overall curriculum to assure that they adequately meet the changing needs of our students and the legal community as well as offer a broad variety of subjects.

FIRST-YEAR PROGRAM

The first-year class is divided into assigned sections of between 50 and 60 students.

The first-year courses cover the basic substantive areas of the law. Cases are studied not only to teach legal rules in a particular subject but to give special emphasis to the development of analytic techniques used by any lawyer regardless of the subject matter of his/her practice.

The schedule of first year required courses will be adjusted for students who matriculated in the Summer. Typically, they will be able to take Evidence in the Spring Semester of their first year and will have completed a total of 36 credit hours by the end of that semester.

UPPER DIVISION REQUIREMENTS

In addition to the courses required in the first year, the College of Law requires upper division students to complete a sequence of courses during the second and third year of legal studies that will ensure a well-rounded legal education. Each student is also required to complete a seminar that entails a major paper and earn at least ten hours in courses designated as skills courses.

Students who have earned five or more semester credit hours in accounting during their preparatory education may be excused from LAW 1218, Analytical Methods for Lawyers.
Skills Requirement

Each student, after completing his first year, must successfully complete at least ten (10) hours of instruction in designated skills courses. These courses are designed to train students in professional skills needed to practice law. All clinic courses are skills courses. Courses other than clinical offerings meet the skills requirement only if they involve multiple opportunities for assessment in drafting or simulation exercises involving problems of a type encountered in the practice of law.

Seminar Requirement

Each student, during his or her second or third year, must complete, with a grade of “C” or higher, a seminar designated as complying with the Upper Division Writing Requirement. (See appropriate section in this catalog.)

CERTIFICATE OF ACHIEVEMENT PROGRAMS

The faculty of the College of Law recognizes the achievement of students who have focused their studies and excelled in the areas of corporate law, bankruptcy and commercial law, criminal law, international law, public law and policy, litigation, taxation, and real property law.

To achieve such recognition, a student must take a designated core course in the field plus additional courses from among a list of electives. Article 2.0
Matters Subject to Adjudication
For the purposes of Part Two of this Code, relating to the adjudication process, a law student shall have violated this Code only if the student engages in conduct which is proscribed by, or fails to meet an obligation which is imposed by the following provisions of Part One: Article 1.3 (Candor and Honesty); Article 1.4 (Misstatements to University Officials); Article 1.5 (Demeanor); Article 1.6 (Offenses Affecting Property, Etc); Article 1.7 (Other Misconduct); or Article 1.8 (Encouraging Prohibited Conduct). A violation of this Code shall be adjudicated only in the manner set forth in Part Two of this Code.

Article 2.1
Complaint
(A) Each adjudication under this Code shall begin with the filing of a complaint. A complaint may be filed only when there is a good faith belief that there has been a violation of this Code within the contemplation of Article 2.0.
(B) The complaint shall be filed only by a university official, faculty member, staff or student. (The individual filing the complaint is referred to herein as the complainant.)
(C) The complaint shall be filed as promptly following the date of the alleged violation as is reasonable under the circumstances.
(D) The complainant shall include in the complaint (1) the facts alleged to constitute a violation of the Code, (2) the provision(s) of the Code believed to have been violated and (3) the name of the law student alleged to have committed the violation. (The law student so named is referred to herein as the “respondent”). The complainant may submit attachments and exhibits with the complaint. All attachments and exhibits submitted with the complaint are deemed, for the purposes of this Code, to be a part of the complaint.

(E) The complaint, dated and signed by the complainant, shall be filed with the Adjudication Counsel.

(F) Prior to the making of a probable cause determination, the Adjudication Counsel shall keep confidential the identity of the complainant and the contents of the complaint, except to the extent that disclosure of this information is required under Article 2.4.

Article 2.2
Adjudication Counsel

(A) The Adjudication Counsel shall serve in the role of a prosecutor. The Adjudication Counsel shall conduct any necessary investigation. Subject to the provisions of Article 2.6, the Adjudication Counsel shall appear before the Adjudication Committee to present evidence and to take other appropriate steps to establish that the respondent is guilty of the violation(s) set out in the Determination Document.

(B) The Adjudication Counsel shall be a member of the tenured faculty.

(1) The dean shall appoint the Adjudication Counsel from among those members of the faculty who are not members of the Adjudication Committee. (2) In the event of a temporary or permanent vacancy in the position of Adjudication Counsel, the dean shall appoint a faculty member to serve as Adjudication Counsel for (a) the duration of the vacancy, if the vacancy is temporary, or (b) the balance of the unexpired term, if the vacancy is permanent. For the purposes of this provision, the term “temporary vacancy” shall encompass situations where the Adjudication Counsel is unable to serve because of illness, absence, prior professional or academic commitments or potential conflict of interest. (No conflict of interest shall be created by the mere fact that the Adjudication Counsel is also the complainant).

Article 2.3
[Reserved]

Article 2.4
Probable Cause Determination

(A) Procedures: Upon receipt of a complaint, the Adjudication Counsel shall promptly make a determination as to whether there is probable cause to believe that the respondent has violated the provisions of the Code within the contemplation of Article 2.0. This determination shall be made pursuant to the following procedure:

(1) within 5 days of the receipt of the complaint by the Adjudication Counsel, the Adjudication Counsel shall make an initial determination as to whether the complaint, on its face, is groundless or frivolous. If it is, the complaint shall be promptly dismissed. If it is not, the Adjudication Counsel shall immediately notify the respondent of the nature of the complaint against him or her and shall give the respondent a copy of the complaint with the name of the complainant obliterated;
(2) within 10 days of the receipt of the complaint by the Adjudication Counsel, the respondent shall advise the Adjudication Counsel if he or she is entering a plea of guilty, nolo contendere, or the like. If the respondent enters such a plea, the Adjudication Counsel shall immediately forward the matter to the Adjudication Committee for a determination of the sanction pursuant to Article 2.8, and the balance of this Article shall not apply;

(3) within 10 days of the receipt of the complaint by the Adjudication Counsel, the respondent (if no plea is entered pursuant to the preceding paragraph) shall be afforded the opportunity to meet with the Adjudication Counsel to discuss the facts and circumstances pertinent to the complaint;

(4) the Adjudication Counsel may discuss the pertinent facts and circumstances with the complainant and with any other person having relevant information. The respondent shall have no right to be present during these discussions or to know the identity of the individuals involved;

(5) within 15 days of the receipt of the complaint by the Adjudication Counsel, the Adjudication Counsel, after considering the relevant evidence and the provision of this Code, shall (a) determine whether there is probable cause to believe that the respondent has violated the provisions of this Code, (b) prepare either the Determination Document described in Section (B) of this Article, or the Dismissal Document described in Section (C) of this Article and (c) deliver the document in accordance with the requirements of Section (D) of this Article;

(6) for good cause, the Adjudication Counsel may extend the deadlines referred to in this Article.

(B) Determination Document: If the Adjudication Counsel determines that there is probable cause to believe that the respondent has violated this Code, the Adjudication Counsel shall prepare a signed and dated Determination Document, stating his or her conclusion in a concise manner.

(1) The document shall contain (a) the name of the respondent, the name of the complainant and (b) the specific provisions of this Code which the Adjudication Counsel has probable cause to believe the respondent has violated. (The Adjudication Counsel shall not be bound by the facts alleged or the Code sections cited in the complaint.)

(2) The document shall contain enough additional information to alert the Adjudication Committee and the respondent to the basic nature of the charges and the document shall include the names of persons on whose statements the Adjudication Counsel relied in making his or her determination. The document shall contain no argument to support the correctness of the Adjudication Counsel’s determination.

(C) Dismissal Document: If the Adjudication Counsel determines that there is no probable cause to believe that the respondent has violated this Code, the Adjudication Counsel shall prepare a signed and dated document, setting forth his or her conclusions.

(D) Delivery:

(1) The Determination Document shall be delivered as follows:

(a) the original, signed copy of the Determination Document shall be delivered to the chair of the Adjudication Committee;

(b) one copy of the Determination Document shall be delivered to the respondent; the Adjudication Counsel shall advise the chair of the Adjudication Committee of the date of this delivery (or, in the event that the respondent should refuse delivery, of the date on which the document was tendered to the respondent);
(2) The Dismissal Document shall be delivered as follows:
   (a) the original, signed copy of the Dismissal Document shall be delivered to the respondent; (b) one copy of the Dismissal Document shall be delivered to the complainant.

(E) Action By Adjudication Counsel Upon Dismissal:
In the event that the charges against the respondent are dismissed by the Adjudication Counsel, the Adjudication Counsel
(1) shall promptly take all necessary action to delete from the respondent’s official records any and all references to the charges and proceedings under this Code; and
(2) may suggest to the respondent, where appropriate, improvements in the conduct of his or her affairs that will aid the respondent in avoiding either an actual or apparent violation of the Code in the future and will assist the respondent in the development of professional standards of behavior.

Article 2.5
Adjudication Committee

(A) As set out in Article 2.6 through Article 2.8, the Adjudication Committee shall have the responsibility of determining whether the respondent has violated the provisions of this Code and, if so, whether (and to what extent) sanctions should be imposed.

(B) The Adjudication Committee shall be comprised of five members: three faculty members and two law student members.
   (1) The three faculty members shall be appointed by the dean at the first regularly scheduled faculty meeting of the academic year. The appointments shall extend for a one-year period, ending on the date of the first regularly scheduled faculty meeting of the next academic year. The dean shall designate which of the three appointed faculty members shall serve as chair.
   (2) The two law student members shall be designated by the Student Bar Association for a one-year term, pursuant to procedures established by the Student Bar Association.

(C) In the event of a temporary or permanent vacancy on the Adjudication Committee, the vacancy shall be filled in the following manner:
   (1) if there is a vacancy in a faculty position, the dean shall promptly appoint a member of the faculty to serve on the committee;
   (2) if there is a vacancy in a law student position, the Student Bar Association shall promptly appoint a law student to serve on the committee.
   (3) the individual named to fill the vacancy shall serve on the committee for (a) the duration of the vacancy, if the vacancy is temporary or (b) the balance of the unexpired term, if the vacancy is permanent. For the purposes of this section, the term “temporary vacancy” shall encompass situations where the committee member is unable to serve because of illness, absence, prior professional or academic commitments, or potential conflict of interest.
Article 2.6

Hearing

(A) The Adjudication Committee shall conduct a hearing to determine whether the respondent is guilty of the violation(s) set out in the Determination Document. The hearing shall begin on a date which is no more than ten days following the date on which the respondent received a copy of the Determination Document (or, if the respondent refused to accept delivery, following the date on which the respondent was tendered a copy of the Determination Document). The chair of the Adjudication Committee shall set the date and time of the hearing, and he or she shall notify the respondent and the Adjudication Counsel. The chair may grant an extension of time for good cause.

(B) No later than 48 hours prior to the commencement of the hearing, the respondent shall (1) file with the chair of the Adjudication Committee all motions, briefs and similar documents intended for the consideration of the Adjudication Committee, and (2) deliver copies of all of these documents to the Adjudication Counsel. Similarly, no later than 48 hours prior to the commencement of the hearing, the Adjudication Counsel shall (1) file with the chair of the Adjudication Committee all motions, briefs and similar documents intended for the consideration of the Adjudication Committee and (2) deliver copies of all of these documents to the respondent.

(C) No later than 48 hours prior to the commencement of the hearing, the respondent shall (1) file with the chair of the Adjudication Committee a listing of all exhibits intended to be introduced at the hearing for the consideration of the Adjudication Committee; (2) deliver a copy of this listing to the Adjudication Counsel; and (3) make all exhibits appearing on the listing available for review by the Adjudication Counsel. Similarly, no later than 48 hours prior to the commencement of the hearing, the Adjudication Counsel shall (1) file with the chair of the Adjudication Committee, a listing of all exhibits intended to be introduced at the hearing for the consideration of the Adjudication Committee; (2) deliver a copy of this listing to the respondent; and (3) make all exhibits appearing on the listing available for review by the respondent.

(D) Unless the requirements of sections (B) and (C) have been complied with in all respects, the Adjudication Committee shall not take into consideration, for any purpose, non-complying exhibits, motions, briefs or other documents. For good cause, the chair may waive or modify the 48-hour deadline set forth in sections (B) and (C).

(E) If, prior to or during the hearing, the Adjudication Counsel should conclude that he or she is unable to establish that the respondent is guilty of a particular violation set out in the Determination Document, the Adjudication Counsel may prepare a signed writing in which he or she states his or her conclusion that the respondent is not guilty of that violation. This writing shall be delivered by the Adjudication Counsel to the chair of the Adjudication Committee and to the respondent, and the writing shall have the same effect as a verdict of not guilty as to the specified violation. No further action shall be taken by the Adjudication Committee regarding that particular violation. If the Adjudication Counsel’s writing states that the Adjudication Counsel has concluded that the respondent is not guilty of all violations referred to in the Determination Document, he or she shall treat the matter as a dismissal to which Section (E) of Article 2.4 applies.

(F) Except as provided in Section (E), the Adjudication Counsel shall call witnesses, present evidence, make arguments, and take all reasonable steps at the hearing to prove that the respondent is guilty of the violation(s) set out in the Determination Document. Under no circumstances shall the Adjudication Counsel (1) present evidence or make arguments that raise issues or tend to prove violations which are beyond the scope of the determination made in the Determination Document or (2) make arguments or recommendations concerning the imposition of a sanction.
At the hearing, the respondent may be represented, may call witnesses on his or her behalf and may cross examine those witnesses who testify against him or her. The respondent shall not be required to participate in the hearing or to make any statement at the hearing.

The hearing shall be conducted by the Adjudication Committee in a fair and impartial manner, but the committee shall not be bound to follow the usual rules of evidence or formal rules of procedure (other than those set forth in this Code). The hearing shall be conducted so as to best ascertain the truth and to carry out the spirit of this Code.

The hearing shall be open to members of the faculty and to law students unless the Adjudication Committee, at the request of the respondent, shall direct that the hearing, or any portion of the hearing, be closed.

The hearing shall be recorded, with such recording made available to the respondent, if requested, at the respondent's expense.

Unless the Adjudication Committee shall provide instructions to the contrary, the hearing recording and all briefs, motions, exhibits, and other materials pertaining to the adjudication shall be preserved by the dean for a period of three years from the date of the hearing.

**Article 2.7**

**Verdict**

At the conclusion of the hearing, the Adjudication Committee shall deliberate in private, and a guilty verdict shall be returned where three-fifths of the members find, beyond a reasonable doubt, that the respondent has violated this Code within the contemplation of Article 2.0. If three-fifths of the members of the committee are unable to make such a finding, a verdict of not guilty shall be returned.

Upon a determination that the respondent is guilty, the Adjudication Committee shall establish the sanction, if any, which is to be imposed upon the respondent.

The Adjudication Committee shall promptly prepare a written opinion (signed by the members of the committee, with dissenters identified), in the following manner:

1. The opinion shall contain (a) the name of the respondent; (b) a statement of the facts; (c) a citation of the specific provisions of this Code which Adjudication Counsel had probable cause to believe that the respondent violated; (d) the decision of the committee; and (e) a discussion of the committee’s rationale for its holding;

2. Where the committee concludes that the respondent is not guilty, the opinion shall include a direction to Adjudication Counsel to expunge the record; the Adjudication Counsel shall promptly take all necessary action to delete from the respondent’s records any and all references to the charges and proceedings under this Code;

3. Where the committee concludes that the respondent is guilty, the opinion shall include the sanction imposed by the committee;

4. Where the committee concludes that, because of the time and attention devoted by the respondent to the adjudication process, the respondent’s academic standing could be adversely affected, the opinion may include, if requested by the respondent, a recommendation that the respondent be accorded lenient treatment should it become necessary for him or her to reapply for admission to the College of Law;

5. If desired by the dissenters, a dissenting opinion shall be attached to and shall become a permanent part of the committee's opinion.

The opinion of the Adjudication Committee shall be delivered promptly to (1) the dean, (2) the respondent and (3) the Adjudication Counsel.
(E) Except in the case of a private reprimand, a copy of the opinion of the Adjudication Committee shall be posted for two weeks in a conspicuous place in the College of Law. Such posting shall commence on a date which is no earlier than the latest of the following dates:

1. the eleventh day following the final determination date described in Article 2.9(A)(1);
2. the date described in Article 2.9(A)(2); or
3. the date described in Article 2.9(A)(3).

(F) The Adjudication Committee shall prepare and maintain, as a public record, a syllabus of each opinion. The syllabus shall contain a written summary of all information contained in the opinion, as set forth in section (C), except that the identity of the respondent shall not be disclosed.

(G) The respondent shall have the right to file a motion for reconsideration of the determination of the Adjudication Committee. The motion shall be filed with the chair of the Adjudication Committee within ten days following the date on which the respondent received a copy of the committee’s opinion (or, if the respondent refuses to accept delivery, following the date on which the respondent is tendered a copy of the opinion). The committee shall promptly consider any motion for reconsideration and shall announce its decision in a writing delivered in the manner set forth in section (D).

Article 2.8
Sanctions

(A) The sanction imposed upon a law student who has been found guilty of violating this Code, in addition to notification to licensing authorities, may include one or more of the following:

1. withdrawal of degree;
2. restitution;
3. permanent expulsion from the College of Law;
4. suspension from the College of Law for a temporary, specified period of time not to exceed one academic year for each violation;
5. loss of credit hours for any course with which the violation was directly related;
6. official reprimand, prepared by the dean, to be posted conspicuously in the College of Law for a period of two weeks;
7. imposition of non-academic probation for a temporary, specified period (including denial of eligibility for any or all offices or positions held in the Student Bar Association, University Student Government, Law Review, Moot Court teams, student law fraternities or other University or student organizations and activities);
8. private reprimand.

(B) In imposing sanctions, the Adjudication Committee shall consider all factors the committee determines to be relevant. The committee shall take into account (1) the time expired between the date of the violation and the date on which the complaint was filed and (2) where appropriate, the extent to which respondent has made restitution. In all instances, the sanction shall be commensurate with the nature of the violation.
Article 2.9
Review

(A) Except for the sanction described in section (A)(8) of Article 2.8, the respondent shall have the right to appeal the sanction imposed by the Adjudication Committee to the faculty. The respondent shall file a written notice of appeal with the dean within ten days following the latest of the following dates:

(1) the date on which the respondent received (or was tendered) a copy of the opinion of the Adjudication Committee;
(2) the date on which the respondent received (or was tendered) a copy of the decision of the Adjudication Committee respecting respondent’s motion for reconsideration; or
(3) the date on which the respondent received (or was tendered) a copy of any revised opinion of the Adjudication Committee issued as a result of the committee’s decision respecting respondent’s motion for reconsideration.

(B) The respondent shall have the right to appear before the faculty at a regularly scheduled or specially called faculty meeting in order to present his or her contentions on appeal. The respondent may be represented. A quorum of two-thirds of the faculty shall be required to hear any appeal. Upon completion of the respondent’s appellate presentation, the faculty shall deliberate in private and reach a decision.

(C) A vote of two-thirds of qualified members of the faculty shall be required to modify the sanction imposed by the Adjudication Committee. For the purposes of this section, the term “qualified members of the faculty” means those faculty members who are (1) present at the meeting and (2) not precluded from voting under the provisions of section (D).

(D) While all faculty members may participate in the review process and in the deliberations, the following members of the faculty shall not participate in the vote (although they shall be counted for the purposes of determining the presence of a quorum under section (B);

(1) faculty members serving on the Adjudication Committee in the case under review;
(2) faculty members serving as the Adjudication Counsel in the case under review;
(3) faculty members who (a) represented the respondent in any phase of the case under review, or (b) served as a witness before the Adjudication Committee to provide testimony as to the substance of the violation (and not merely to provide testimony as to the respondent’s character);
(4) Faculty members who filed the complaint in the case under review.

(E) The faculty shall have no power to reconsider the adjudication of guilt.

Article 2.10
Enforcement

In all cases where the Adjudication Committee determines that the respondent is guilty of a Code violation, the dean shall administer the sanction imposed by the Adjudication Committee (or by the faculty, if the sanction is modified pursuant to the provisions of Article 2.9).

(C) The term “final day” means the last day of the designated time period, determined by counting consecutive days on the calendar. However, if the last day is a Saturday, a Sunday or a day on which classes are not in session, the term “final day” means the next succeeding day which is not a Saturday, a Sunday or a day on which classes are not in session.

Article 3.2

(A) Subject to the provisions of this Article, amendments to this Code shall be made by the faculty of the College of Law at a regular or specially called faculty meeting. A quorum of two-thirds of the faculty shall be required to vote on an amendment. A favorable vote of a majority of the quorum shall be required to adopt an amendment.

(B) Amendments to this Code may be proposed by any member of the College of Law administration, by any member of the faculty or by any law student. All proposed amendments shall be filed in writing with the dean. Except where a proposed amendment relates to a mere technical or stylistic correction and does not involve a substantive change to the Code, the following procedures shall be followed:

1. the dean shall promptly (a) post the proposal in a conspicuous place in the College of Law, and (b) submit the proposal to an ad hoc committee for its recommendation respecting the proposal;

2. the ad hoc committee shall be comprised of (a) three faculty members appointed by the dean and (b) four law students designated by the Student Bar Association pursuant to procedures established by the Student Bar Association; the dean shall designate which of the three faculty members shall serve as chair of the ad hoc committee;

5. the faculty vote on whether to adopt the proposed amendment and/or to accept the recommendation of the ad hoc committee shall take place at a faculty meeting held on a date which is no earlier than the later of the following dates:

   a. the day on which the chair of the ad hoc committee made the delivery referred to in section (B)(4) or

   b. the thirtieth day following the date on which the dean made the posting referred to in section (B)(1).
UPPER DIVISION WRITING REQUIREMENT

Section 1: THE NATURE OF THE REQUIREMENT
1.1: During the second or third year at the Pettit College of Law, each law student shall satisfy the Upper Division Writing Requirement. No student shall graduate from the College of Law without first fulfilling this requirement.
1.2: These procedures and standards shall apply in determining whether a student has satisfied the Upper Division Writing Requirement.

Section 2: THE WORK PRODUCT
2.1: Each student shall prepare a research paper that, in both style and substance, is comparable to a student comment in a law review. The paper shall be the product of extensive legal research conducted by the student. The paper shall be typed double-spaced on 8.5” by 11” paper and shall be at least 20 pages in length (not counting footnote pages or appendices.)
2.2: Each paper shall be prepared under the supervision of, and shall be graded by, a member of the faculty at the College of Law. Each paper shall be prepared in satisfaction of the requirements of a seminar in which the student has enrolled.
2.3: The paper shall represent the individual effort of the student producing it. No student shall receive material assistance with respect to the project from any individual (other than the supervising faculty member) without the express approval of the supervising faculty member.
2.4: The paper must not have been submitted for a grade in any previous course.

Section 3: SELECTION OF THE TOPIC
3.1: Each student shall select a topic for the paper which will provide an opportunity for substantial legal research. The topic must be sufficiently precise to permit its authoritative treatment in the paper. The topic shall not be selected by the supervising faculty member.
3.2: By the end of the first week of the semester in which the student will be writing the paper and submitting it for a grade, the student shall submit to the supervising faculty member, for the faculty member's approval, a writing containing the topic selected and a brief statement setting forth the significance of that topic. If the faculty member does not find the topic acceptable, he/she shall so advise the student. The faculty member may make suggestions as to how the topic might be improved.
3.3: No student shall be permitted to write a paper in satisfaction of the Upper Division Writing Requirement during any semester in which the student's topic has not been given final approval by the supervising faculty member on or before the end of the second week of that semester.

Section 4: DEADLINES DURING THE QUALIFYING SEMESTER
4.1: The term “qualifying semester” means the semester during which the student writes the paper and submits it for a grade.
4.2: At the beginning of the qualifying semester, the student shall research authorities pertinent to the topic selected. The student shall prepare a reasonably complete list of authorities and shall submit it to the supervising faculty member within four weeks after the start of the qualifying semester. At that time, the student and the faculty member should meet to discuss the student's progress.
4.3: The student shall then consider the organization of the paper, including the manner in which the discussion of the issue(s) is to be developed and how the authorities are to be integrated into that discussion. The student shall prepare a clear and detailed outline of the paper and shall submit it to the supervising faculty member within six weeks after the start of the qualifying semester. At that time, the student and the faculty member should meet again to discuss the student’s progress.

4.4: The student shall then begin writing the first draft of the paper. The first draft shall contain a developed consideration and analysis of the student’s topic and appropriate citations and notes. The student shall submit the first draft to the supervising faculty member within eight weeks after the start of the qualifying semester.

4.5: During the ninth week of the qualifying semester, the student and the supervising faculty member should meet to discuss the first draft. At that time, additional requirements and deadlines may be established by the faculty member. The student shall comply with all requirements and shall meet all deadlines imposed by the faculty member.

4.6: All writings referred to in this section shall be typed on 8.5” by 11” paper.

4.7: Nothing in the foregoing provisions shall be construed as suggesting that the student and the supervising faculty member may not meet at more frequent intervals or that the supervising faculty member may not change the deadlines to fit the particular requirements of a student’s research project.

4.8: No student shall seek to alter the established requirements and deadlines except for reasons of illness or for personal emergencies of the most serious nature. The supervising faculty member may, in his/her discretion, require supporting documentation from the student.

Section 5: SUBMISSION OF THE PAPER FOR GRADING

5.1: On or before the last day of the qualifying semester, the student shall submit the final version of the paper to the supervising faculty member for grading.

5.2: Under exceptional circumstances, the faculty member may extend the date for submitting the final version of the paper to the last day of the examination period for the qualifying semester.

5.3: Except as provided below, no paper submitted for grading after the last day of the examination period for the qualifying semester will satisfy the Upper Division Writing Requirement. This division may be extended with the approval of both the supervising faculty member and the dean upon the submission by the student of a signed writing in which the student requests an extension of time and sets forth in detail the extraordinary factors believed to justify the extension.

Section 6: GRADING

6.1: It is recommended that the following factors enter into the determination of the student’s grade in the paper:
(a) the extent, quality and thoroughness of the student’s research;
(b) the authoritative nature of the student’s treatment of the subject;
(c) the clarity of the student’s writing;
(d) the manner in which the student treats and resolves open questions;
(e) the degree to which the paper complies with recognized standards of excellence in legal research and writing.

6.2: Other factors may enter into the determination of the student’s grade in the discretion of the supervising faculty member, including the student’s failure to meet any of the established requirements or deadlines.
6.3: To satisfy the Upper Division Writing Requirement, the student’s papers must receive a grade of “C” or better.

6.4: The supervising faculty member shall promptly submit to the dean, the name and grade of the student meeting the Upper Division Writing Requirement, along with the title of the student’s paper. The dean shall place the title of the paper in the student’s official file, along with a statement that the paper satisfies the Upper Division Writing Requirement.

The Ohio Northern University Law Review, a highly respected law journal of the Claude W. Pettit College of Law, is edited and published by the students of the College of Law. Published three times a year, the Law Review consists of leading articles on current legal topics, student comments on legislation and selected symposia presentations on varied legal topics. Membership in the Law Review has traditionally been one of the highest honors awarded to a student of the College of Law.

Membership
I. After spring semester, the first-year students who are in the top 10% of their class will be invited to become Law Review candidates.
II. Write-on competitions will also be held during the summer after the first year. All new second-year students who are in the top 50% of their class are eligible for the competition. A general meeting will be held to explain the requirements of the competition (for example, how to write a memorandum and when they will be due). The memorandums will be graded by the Law Review editors, and anyone receiving the requisite score will be invited on Law Review as a candidate.
Requirements
In addition to performing all staff assignments satisfactorily, members must complete two writing assignments to maintain membership on the Law Review. First, students who are accepted as candidates are required to write a case note within three months of the date assigned by the editor-in-chief. The case note requirement consists of a detailed and concise analysis of a recent appellate opinion. Upon completion of a publishable quality case note, candidates are accorded staff membership. Staff members are required to write a comment that entails research and writing on a topical subject in a specific area of the law.

All case notes and comments are reviewed by the Editorial Board for publication in the Law Review. Those authors whose articles are selected for publication will receive personalized copies of their articles.

Any student who wishes to submit an article to the Law Review for publication is highly encouraged to do so. Again, personalized copies will be provided to those selected.

MOOT COURT
The Moot Court is a student organization associated with the College of Law. Administered by the Moot Court Executive Board, the organization is advised by faculty members. The primary purpose of the Moot Court program is to provide an opportunity for law students to improve oral advocacy and brief writing skills through participation in appellate and trial advocacy competitions. Each year, student advocates representing the College of Law compete against law students from other schools at national competitions and become members of the program’s Board of Advocates.

All first-year students are introduced to the art of oral advocacy through participation in the Daniel S. Guy First Year Oral Advocacy Competition, which is part of the law school course “Legal Research and Writing.” To participate in any Moot Court competition, an advocate must be in good academic standing. To participate in any national competition, the advocate must be a second- or third-year student. To participate in Celebrezze Competition, the advocate must have successfully completed the Daniel S. Guy First Year Oral Advocacy Competition.

Moot Court members and teams participate in a number of competitions each year. They have included the following:

New York Bar Association’s Fall National Appellate Advocacy
American Bar Association’s Spring National Appellate Advocacy
Anthony Celebrezze Intra-School Appellate Advocacy
Philip C. Jessup International Law Appellate Advocacy
Florida Bar Association’s National Tax Appellate Advocacy
Burke E. Smith Intra-School Mock Trial Competition
Texas Young Lawyers Association Mock Trial Competition

The Moot Court chief justice, the associate justices, and a faculty advisor select appellate team members on the basis of a writing sample and oral advocacy skills.
The College of Law offers academic credit for Moot Court activities. Academic credit is available for second- and third-year members of national Moot Court teams. The Moot Court is a charter member of the Order of Barristers, an honorary organization that provides national recognition for outstanding court advocates and programs.

It is founded on the principles that the state exists to preserve freedom, that the separation of governmental powers is central to our Constitution, and that it is emphatically the province and duty of the judiciary to say what the law is, not what it should be. The Society seeks both to promote an awareness of these principles and to further their application through its activities.

Further, the purpose of the ONU FS is to stimulate thought and discussion about the application of conservative principles to the law. This entails recording priorities within the legal system so as to place a premium on individual liberty, traditional values, and the rule of law. It also entails restoring recognition of the importance of these norms among lawyers, judges, law students and professors.

LOAN FUNDS

The Methodist Crusade for Higher Education has made available some funds to be used to aid worthy students who are Ohio United Methodists.

The United Methodist Student Loan Fund provides loans to a limited number of worthy students who are members of the United Methodist Church. The Student Loan Fund is administered by the Board of Education of the Church. Christian character, scholarship, promise of usefulness, financial responsibility and the recommendation of the church to which the applicant belongs are essential to a loan. Each borrower must sign an interest-bearing promissory note.

The Law College Emergency Loan Fund grants short-term $50 loans for emergency purposes to be repaid within 90 days.

The Benefactor’s Loan Fund is a perpetual revolving fund from which small loans are available to students judged by the university administration to be worthy and in need.

The Hattie M. Strong Foundation College Loan Program provides interest-free loans, normally ranging from $1,000 to $2,000, to eligible, upper-class law students. The terms of repayment are based upon monthly income after graduation and are arranged with each individual so as to work a minimum of hardship. Students who wish to apply for a loan should write to The Hattie M. Strong Foundation, 409 Cafritz Bldg., 1625 Eye Street, N.W., Washington, D.C. 20006, between January 1st and June 1st prior to the academic year during which they require financial assistance. The letters should contain a brief personal history, the name of the educational institution attended, the subject studied and the amount of funds needed. If the applicant qualifies for consideration for a loan, formal application forms will then be sent to be filled in and returned to the Foundation. Since there are normally many more applicants than the funds available can accommodate, loans are necessarily made on a competitive individual merit basis, taking into account the applicant’s scholastic record, motivation, need and self-reliance, without regard to race, sex or religion.

The Phi Alpha Delta Law Fraternity offers loans to worthy student members up to a maximum of $500 upon terms prescribed by its governing board.

The Earl D. Haefner Loan Fund was established in the memory of her husband by Leona K. Smith to benefit needy law students.
